The forenoon of Thursday was taken up principally in hearing the reports

CLOSING HOUR.

A very short session was held Thurslay afternoon at 2 o'clock, at which expressions were given by many as to how they had been benefited by the meeting and the pleasure they had experienced in being present. The meeting was interesting and can but be fruitful of good.

The editor of THE COMMONWEALTH has been visiting the town of Halitax at least once a month for nearly nine years, but it was left for him on this occasion to meet and form the acquaintance of some of the best and most charming ladies of the town.

The Baptist Orphanage.

The Baptist people of Scotland Neck and community take much interest in the Baptist Orphanage at Thomasville, for the institution is largely a child of the Scotland Neck Baptist church.

Mr. N. Biggs, who is one of the trus tees in the institution and one of its most liberal supporters, if not the most liberal, returned a few days ago from the annual meeting of the trustees.

He was greatly elated at the work of the institution and the prospects ahead. He said there was a large crowd at the annual gathering and the sermon by Rev. J. E. White and the address by T. E. HAYMAN. Prof. W. L. Poteat were fine.

The best part of the meeting to Mr. Biggs was the raising of a thousand dollars for the Central building which will soon be erected. Of that amount Mr. B. N. Duke of Durham gave \$250, and Mr. Watts gave \$50. These were liberal donations for men of difent denominations.

The trustees unanimously re-elected by ballot Rev. J. B. Boone as general manager. HOW TO CURE YOURSELF WHILE USING IT.

The tobacco habit grows on a man until his nervous system is seriously affected, impairing health, comfort and happiness. To quit suddenly is too se vere a shock to the system, as tobacco to an inveterate user becomes a stimulant that his system continually craves. 'Baco-Curo" is a scientific cure for the tobacco habit, in all its forms, carefully compounded after the formula of an eminent Berlin physician who has used it in his private practice since 1872, with out a failure. It is purely vegetab! and guaranteed perfectly harmless. You can use all the tobacco you want while taking "Baco-Curo." It will notify you when to stop. We give a written guar three boxes, or refund the money with 10 per cent. interest. "Baco-Curo" is not a substitute, but a scientific cure that cures without the aid of will power and with no inconvenience. It leaves the system as pure and free from nicotine as the day you took your first chew or smoke.
